

2013

	RESEARCHER	DEPARTMENT	PROJECT	GRANT (Kshs)
1.	Mr. A. O. Kube	Statistics and Actuarial Science	Quantile autoregression and its application to financial risk management and portfolio optimization	400,000
2.	Mr. C. Mugendi	Economic Theory	Foreign direct investment , spillovers and domestic firms productivity	770,000
3.	Ms. J. K. Isika	Fashion Design and Marketing	Use of 'real' fabric draping in Kenya	376,140
4.	Dr. J. K. Kiplagat	Energy Engineering	Application of geothermal heat for refriration	1,000,000
5.	Dr. R. O. Oduor	Biochemistry and Biotechnology	Assessment of indoor background ionizing radiation in human habitat: a potential cause of the rising cancer incidences in Kenya	6,100,000
6.	Dr. L. M. Kamau	Zoological Sciences	Isolation, recombinant expression and generation of anti-tick vaccines from a novel secretory-type iron transporting protein,ferritin 2 from rhipicephalus appendiculatus.	2,500,000

2013

7.	Dr. M. W. Baaru	Environmental Studies and Community Development	Saving each drop of water: Manipulating terrace ditch dimensions for increased small holder land productivity in semi arid areas, Machakos county, Kenya	981,000
8.	Prof. S. M. Onywere	Environmental Planning and Management	Understanding the environment, promoting health in lake Baringo/Bogoria drainage basin, Kenya	6,000,000
9.	Dickson Andala	Chemistry	Photo-Oxidative Water Treatment using Dioxide Nanofibres Doped with Metal Nanoparticles.	970,000
